About This Game

Dark Nebula is a dynamic sci-fi VR shooter generating intensive 3 minutes fights on futuristic arena. Use your ingenuity and machine gun equipped with an underbarrel rocket to defeat the Space Orcs and go to the next round, or die and start the battle from the beginning.

Sportscaster will not let you get bored, he reacts to your successes and defeats and adds new insane encounters as soon as you will learn to fight well on the arena.

Dark Nebula use advanced mechanics to ensure your complete immersion to the game:
Arm swing locomotion system gives you the freedom of movement without motion sickness;
Steam Audio as game sound engine provides new level of sound impressions.
